

Off Campus Street Parking

The areas highlighted in green are the only legal street parking options near the school district.

Reminders:

- Parking is allowed between driveways. Blocking any part of a driveway will result in a parking ticket, with the possibility of your car being towed.
- Yellow curbs need to be kept open. Parking in front of a yellow curb will result in a parking ticket, with the possibility of your car being towed.
- All fire hydrants need to be kept clear of cars. Restricting the access to a fire hydrant will result in a parking ticket and your car being towed.
- Only students who have purchased a spot in the Pewaukee Public Library lot will be allowed to park there during school hours.
