A “Newcomer” to Join the Pewaukee School District Board of Education

Former Booster Club President and 16-year Resident of Pewaukee,
Stacey Newcomer becomes 7th BOE member.

Pewaukee, WI - The Pewaukee School District is pleased to introduce Stacey Newcomer as a new board member of the Pewaukee Board of Education. A 16-year resident of Pewaukee and a highly involved community member, Stacey will be replacing John Blask after his own 16 years of dedicated service. Stacey and her husband Mark have seen two of their children graduate from Pewaukee School District (Adam '18, Emily '20) and their youngest (Sarah '22) is currently enrolled at Pewaukee High School.

Newcomer received a degree in Accounting from Marquette University and worked in public accounting before becoming a stay at home mom and busy volunteer. Stacey served as treasurer of the PTO and the Booster Club, as well as president of the Booster Club. She enjoys volunteering in the district as a math mentor and at her Bible study as a children's leader. Stacey is also serving as treasurer of OCD (Obsessive Compulsive Disorder) Wisconsin, an affiliate of the International OCD Foundation. Over the years, she has been involved in the District's strategic planning process as well as various search committees.

"After years of serving the Pewaukee schools in a variety of ways, I look forward to being able to serve in this new capacity where I can work to support the administrators, teachers and students to create effective learning outcomes," said Newcomer.

Board of Education President, Brian Kammers said: "Stacy has been involved with the PTO and Booster club for a number of years. We welcome her experience gained while serving in leadership positions in those organizations." Dr. Mike Cady agrees and shares: "We are so appreciative of Stacey's willingness to serve on the Board of Education. She is a very active parent who has served in multiple positions of leadership with the PTO and Booster Club. We look forward to adding her voice, experience, and passion for our schools to the Board."

Pewaukee School District is a public 4K-12 district offering an award-winning, future-ready education to over 3,000 students in a unique, single-campus setting. We are passionately committed to our mission to open the door to each child's future.
