Semester 1 Exams – Wednesday – Friday THIS WEEK

- Exams will be held on Wednesday, Thursday, and Friday.
- Classes begin at 7:50 AM; there is no Resource.
- While we have Open Campus lunch, hot lunch will be served on Wednesday and Thursday but not Friday. Lunch will run 11:50-12:50.
- Students who have completed all of their exams at the end of the B4 exam on Friday are permitted to leave. Buses will run on their normal schedule, however, so students will need to arrange for their own rides.
- A reminder to student volunteers during the Exam Schedule next week that during Exam days (Wednesday-Friday, January 18-20), students volunteering with PHS staff should report as usual. Volunteers assigned to ACMS, Horizon, or PLE should sign in and remain in the PHS building (Senior Lounge, Cafeteria, or Library.)

Announcements

A reminder that Tuesday, January 24, students have their next CCR Connections meeting. Meetings will begin at 7:30.

Pewaukee High School's first Locks for Love event will take place at the Winter Ball assembly! This campaign is built upon a simple act of generosity: yours. It is only through this simple but incredibly significant act that you are able to provide real-hair wigs for women who are suffering from hair loss due to cancer treatment. The campaign's continued ability to give women these free, high-quality wigs depends on the participation of people like you. Check your emails for the sign-up page, and we hope you come out for the cause!

Clubs/Sports

The Wrestling Team invites everyone to attend Senior Night on Thursday. Before facing South Milwaukee, fans will honor the careers of some of the best wrestlers in school history: Be there when we honor Jacob Raschka, Blaze Beltran, Brandon Berg, Jacob Duncan, Conner Goodman, DJ Muller and Alex Mauch. That's Thursday night at 6:45 PM!

Medal of Awesome

Adam Immel passed today's Medal of Awesome to Mr. Bauer: "I am proud to award the Medal of Awesome to Mr. Bauer. There are only a handful of teachers that I've worked with that can use their sense of humor to their advantage when teaching. Mr. Bauer is among them. He's able to use little anecdotes about himself and his kids to relate to the class lesson, and in doing so, has mastered the art of giving an interesting and thought-provoking lesson that I admire. Not many teachers are as honest as Mr. Bauer about our struggles as students, but it further shows that he is genuinely dedicated to helping all of us improve our math skills. Having him as a teacher has improved my determination to succeed in the class, because I'm committed to putting in just as much work as he does to get every student to reach their maximum potential. Thank you for being such an awesome guy, Mr. Bauer!"
