Assignments for students with Volunteer during 2nd semester schedule are posted in the office windows, so be sure to check the posting for your class and begin reporting today/tomorrow (A Day/B Day). If you do not have an assignment yet, you are required to stay in the Senior Lounge or PHS Library until placements are finalized. A reminder that students need to sign in and out on the clipboard inside the Main Office.

Students will begin meeting with their counselors for scheduling starting today. Make sure your scheduling sheet is completed with parent signature for your appointment.

The Guidance office is looking for students to help with peer tutoring. If you need hours for Merit Award, NHS, or any other activity, please consider this opportunity. Check your email for the survey that was sent out or email your counselor.

Medal of Awesome

Mr. Yuskis awarded the Medal of Awesome to Tea Goodmanson, saying "The goal of the Experiencing Wisconsin class is for students to learn about Wisconsin by experiencing the history around us. During the first semester, Tea Goodmanson embraced learning through experiencing. Whether it was her investigation of a local landmark, making a historical marker or even talking her mom and friend Mya into going on a Waukesha ghost tour, Tea was always looking for a great experience to learn from. Whenever Tea was going to present, her classmates knew that it would be a high quality, might I say "awesome" presentation. Great work this first semester, Tea, and keep experiencing – it is the best way to really learn."
