## **Medal of Awesome**

---

Tea Goodmanson awarded the Medal of Awesome to Mr. Lamp: "Today, I would like to award the Medal of Awesome to Mr. Lamp! Going into this school year, I was nervous about starting new art classes and I wouldn't be able to create high quality work. Once I started the semester of Drawing 1 though, Mr. Lamp made me feel more comfortable. By asking for advice on my art projects and being critiqued by Mr. Lamp's thoughts, it showed me the potential I had in the class which made me confident to show my artwork. His class helped me gain more knowledge about drawing and establishing the strengths I have versus where I need to make improvements. Mr. Lamp, thank you for being such an awesome art teacher and congratulations on the Medal of Awesome! You totally deserve it!"
