Assignments for students with Volunteer during 2nd semester schedule are posted in the office windows, so be sure to check the posting for your class and begin reporting today/tomorrow (A Day/B Day). If you do not have an assignment yet, you are required to stay in the Senior Lounge or PHS Library until placements are finalized. A reminder that students need to sign in and out on the clipboard inside the Main Office.

Students will begin meeting with their counselors for scheduling starting this week. Make sure your scheduling sheet is completed with parent signature for your appointment.

The Guidance office is looking for students to help with peer tutoring. If you need hours for Merit Award, NHS, or any other activity, please consider this opportunity. Check your email for the survey that was sent out or email your counselor.

Medal of Awesome

Mr. Lamp awarded today's Medal of Awesome to Madison Moroder: "Over the past three years I have had the distinct pleasure of teaching Madison in a number of classes. I have always been impressed with Madison's ability to communicate her ideas. Whether it is through a work of art, a written statement, or a presentation, Madison is confident in her ideas and has a tremendous ability to effectively convey her thoughts. I have also been impressed by her ability to manage her time and responsibilities. Madison has always found a way to balance a challenging academic schedule and the demands of a leading actress. She accomplishes all of this with a smile on her face, a positive attitude, and a great sense of humor. I know she had been patiently waiting to wear the Medal of Awesome, so I am happy to pass it along to someone who will truly cherish it. Bask in the Medal's eternal, awesome glow, Madison, you've earned it."
