A Day

## Announcements

---

Men's Choir will meet on Tuesday at 7:30 AM in the choir room. Any men who are interested in singing at the Winter Concert are welcome to attend, even if you are not currently enrolled in choir. See Mrs. Igielski if you have any questions, otherwise sign-up in Flexisched!

The Wisconsin State Championships for Mountain Biking were held this past weekend at the Trek Trails in Waterloo. After a muddy start to the day, racers and fans were treated to perfect weather with intense racing at all levels. PHS racers included Gavin Goold, Izzy Yuskis, Jon Heinemann and Nolan Zigler. Thanks to all the racers who made this our best season ever.

Congratulations to the Girls' Varsity volleyball team for defeating Waukesha North and bringing home a Division 1 Regional Champion title for the first time ever since the girls have moved up to Division 1 volleyball. The girls will travel to Mukwonago on Thursday to take them on at 7 PM for the sectional final game; theme is jerseys. Good luck ladies!

You can still help Tricia's Troops by donating NEW items such as fuzzy socks for men, fleece blankets, water bottles, hard candy, puzzle books like Sudoku or crosswords, and thank you card sets for cancer care tote bags. Drop off donations in the Main Office.

## Medal of Awesome

---

From Mr. Kurth:

Today, the Medal of Awesome is awarded to Joe Sklenar, a humble, hard-working, athletic-code-abiding senior who captains both the Pewaukee football and wrestling teams while maintaining high scores across a challenging academic schedule that includes three AP classes. Things haven't always come easy to Joe, but he has persevered through the tough times to become what he is now: one of the Most Awesome People in Pewaukee. Thanks and congrats, Joe!
