B Day

Announcements

A reminder to student drivers: you may notice an increased police presence near campus exits. For everyone's safety, please be sure to stop at stop signs and drive within the posted speed limits.

Robotics Students: Tomorrow is the last Wednesday morning to drop off paperwork with Mr. Noll by the Robotics closet. Paperwork & registration is due ASAP!

You can still help Tricia's Troops by donating NEW items such as fuzzy socks for men, fleece blankets, water bottles, hard candy, puzzle books like Sudoku or crosswords, and thank you card sets for cancer care tote bags. Drop off donations in the Main Office.

We are looking to gauge interest in a possible fan bus for the football game on Friday. There will be a cost of \$5 or \$10, depending on the number of people who sign up. That cost does not include admission to the game. At that time, it will be determined if the fan bus will happen or not. The bus would leave PHS around 5:30 and return after the game, approximately 11:00. If you are interest in riding a fan bus for Friday's game, please sign up in the office before Thursday at noon.

Medal of Awesome

Joe Sklenar awarded today's Medal of Awesome, saying "I'm giving the medal of awesome to Mr. Hillmann because he truly is awesome. He is very passionate for literature, and has sparked the love of books within me. I used to hate reading but I guess things change haha. He is an amazing person and truly deserves it. We love you Mr. Hillmann."
