A Day

Announcements

A reminder to student drivers: you may notice an increased police presence near campus exits. For everyone's safety, please be sure to stop at stop signs and drive within the posted speed limits.

Any boys interested in playing basketball this winter - if you missed the sign up meeting on Monday, please see or email Coach Karas to sign up.

Do you want to go to Friday's football game in Plymouth, but don't want to drive? Sign up by noon tomorrow for a fan bus. The cost will be \$5 or \$10, depending on how many people sign up. Admission to the game is not included and if enough students don't sign up, the bus won't go. The bus would leave PHS around 5:30 and return after the game, approximately 11:00.

Medal of Awesome

Mr. Hillmann awarded today's Medal of Awesome, saying "I am proud to award the Medal of Awesome to Amber Koepp. Amber is one of the kindest individuals I have ever met. I have always been impressed with her work ethic and the effort she puts into everything she does. Amber is kind, loyal, and compassionate. She is the friend anyone would want to have and that makes her extremely Awesome."
