Medal of Awesome

Daily Bates awarded today's Medal of Awesome, saying "I am giving the medal of awesome to Mr. Roberts because this year he has really taken initiative with his new position. He has always been there for me, as a coach and as a person, and never fails to put a smile on my face, even though I might not be putting a smile on his. Mr. Roberts is awesome because even with leaving the softball program he has still made time to check in on the players and maintain relationships with all of us. I will never hesitate to tell him anything. Thank you for being a very important influencer in my life. You are AWESOME."
