Peers for Peers: Vaping is not an alternative to the big tobacco companies that produce cigarettes. Vaping IS Big Tobacco. The same company that produces Marlboro Cigarettes has invested 12.8 Billion dollars in Juul. Vaping is the tobacco industry's strategy to attract new, younger customers.

We would like to say Good Luck to Pewaukees Rock Climbing Team as today is their first rock climbing competition of the season. We would also like to remind students that rock climbing is a year round club and is always looking for new members.

The PHS Drama Club would like to invite you to join us during resource on Wednesday and Thursday next week to get a behind the scenes look at our performer flying rig that will be used in our performances of She Kills Monsters next Thursday, Friday, and Saturday night in the auditorium. This will be a unique opportunity to get up close with the physics and engineering behind the art of performer flying. Sign up for Mr. Seven's resource in flexi-sched or email him to get signed up!

Medal of Awesome

I would like to give the medal of awesome to Mr. Farra. Besides being an excellent football coach, he immediately integrated himself into my math class in place of Mr. Whelan, and has done a particularly great job. He is always positive, and also boosts the mood of the atmosphere around him no matter the circumstance. Keep being awesome Mr. Farra.
