## Daily Announcements Friday, November 15, 2019 A Day

### Announcements

---

Attention skiers and snowboarders! There will be a Pewaukee Ski Club information meeting next Tuesday, November 19th during Resource in the auditorium. Anyone interested is invited to come and learn more about trip dates, fees, lessons, and renting equipment. Ski club is open to all students, even if you have never tried skiing or snowboarding. Join us next Tuesday morning to hear all about how you can get involved in the biggest and "coolest" club in Pewaukee!

Boys basketball tryouts are coming up Monday and Tuesday! JV tryouts are 3:00-5:30 in the Aux Gym; Varsity tryouts 5:30-8:00 PM in the main gym. You must register and pay online before trying out.

Wrestling practice begins next Monday. All students interested in wrestling need to turn in their forms and fees this week.

**Peers for Peers:** Vaping brings more than water vapor into your lungs. Vaping creates an aerosol of suspended particles that end up in your lungs, including nicotine, heavy metals, formaldehyde, other carcinogens, and acetyl (the chemical behind an illness called popcorn lung).

### Medal of Awesome

---

Mr. Wells awarded today's Medal of Awesome, saying "I have the honor to nominate Christian Passehl for the Medal of Awesome today. Christian comes to class everyday with the same upbeat, positive attitude that is infectious to those around him. His academic and social growth has been a joy to witness while his infectious sense of humor makes those around him laugh out loud each and every day with his creative and on topic jokes. Despite his awesome Halloween costume as a "sloth more" he is anything but a sloth. Aside from his classroom attitude and performance Christian also is a great athlete on the track team who I often see in the weight room after school striving to grow physically to match the growth he has shown academically. Thank you for continually brightening the day of those around you Christian. And thank you for being awesome!"
