'Apprentice'-style project prepares students for real business world

By Lauren Anderson
Freeman Staff

PEWAUKEE — Teams of students at Pe waukee High School have been selected to participate in a business project that will simulate the real world of business. The students will be working on a project that will be judged by a panel of judges. The project is an 'Apprentice'-style project that will prepare students for the real business world.

Teacher Randy Olson gives feedback to Patrick Cohen, Malory Deereaux, Madison Papp and Matt Goring during an 'Apprentice' style presentation.

The project is an 'Apprentice'-style project that will prepare students for the real business world. The students will be working on a project that will be judged by a panel of judges. The project is an 'Apprentice'-style project that will prepare students for the real business world.

Following the presentations, judges conferred in a separate room, discussing and offering feedback on the presentations. Some students expressed their interest in the project and their desire to participate in future projects. Rogers Behavioral Health to open facility in Minneapolis

MINNEAPOLIS — Rogers Behavioral Health is set to open a new facility in Minneapolis. The facility will provide behavioral health services to the community. The facility is an important step in Rogers Behavioral Health's commitment to providing high-quality care to the community.

Bank merger will cost 138 jobs in Madison

MADISON — A merger between two banks in Madison will result in the loss of 138 jobs. The merger is expected to be completed in the near future. The loss of jobs is a significant concern for the community.

It's OK to take control

By Dave Ranney
Freeman Staff

It's OK to take control. This is a message that many of us need to hear. We often feel that we are at the mercy of our circumstances, but in reality, we have more control than we think we do. It's time to take control of our lives and our future.

Pause the do-or-die

Do-or-die situations are often presented to us in the workplace. These situations can be stressful and overwhelming. It's important to pause and think about the best course of action. We need to take control of our lives and our future.

Peewaukee High School's Insight program expanding

PEWAUKEE — Peewaukee High School's Insight program is expanding to include more students. The program provides students with real-world business experience and prepares them for the workforce. The expansion is a positive step for the school and the community.

Elbert

Elbert is a small town in Colorado. It is known for its scenic views and outdoor recreation. The town has a rich history and a strong sense of community. It is a great place to visit and live.

Market in Review

The market in review shows that the economy is showing signs of recovery. However, there are still challenges ahead. Investors should remain cautious and diversify their portfolios. The market is volatile and unpredictable.
